Explanations

At present, the Company has a conditional share capital in a total amount of CHF 24,636,476. Pursuant to article 3c(B) of the Articles of Association the share capital may be increased by a maximum amount of CHF 5,866,898 by issuing a maximum of up to 5,866,898 shares with a nominal value of CHF 1 each, under the exclusion of shareholders' pre-emptive subscription rights, to shareholders of the company and/or in connection with the issue of bonds, similar obligations or other financial instruments by the Company or another group company. The Board of Directors would like to retain full flexibility in connection with possible future financing of the Company and hence proposes to increase the amount of conditional share capital reserved for such purpose by an amount of CHF 8,000,000 from CHF 5,866,898 to CHF 13,866,898.

9.3 Capital reduction through reduction of nominal value (articles 3, 3b and 3c of the Articles of Association)

The issued share capital will be reduced by a total amount of CHF 64,602,222.48 from CHF 65,272,952 to CHF 652,729.52, and the amount corresponding to the nominal reduction will be allocated to the capital contribution reserve. **The total number of issued shares will remain at 65,272,952 (article 3).** According to the audit report, the claims of the creditors are fully covered despite the reduction in share capital. The nominal value of the shares

issuable from the authorized share capital (article 3b) and conditional share capital (article 3c) will also be reduced from CHF 1.00 to CHF 0.01. Assuming that the items 9.1 and 9.2 of this AGM invitation are accepted by the shareholders, the authorized share capital and conditional share capital will be reduced by a total amount of CHF 32,310,111.24 from CHF 32,636,476 to CHF 326,634.76 each. **The total number of shares that can be issued from the authorized and conditional share capital will remain at 32,636,476 shares each.** The reduction of the nominal value of the issued, authorized and conditional share capital will be registered in articles 3, 3b and 3c of Articles of Association by the Geneva's trade register after the expiration of a period of two months from the publication in Swiss Gazette of Commerce (SHAB) of the third creditor call. The amounts indicated below may be changed if a capital increase is executed before the reduction of the nominal value enters into force.
